PMF “Cartoons”

A question with one of the several replies from the 2022 PMFLIST Yearbook:

Have anyone validated the micro method for analysis of octenisept or any product containing octenidine?
What neutralizers did you use?

A reply:

Here you go! <https://academic.oup.com/jac/article/65/8/1712/743725?login=true>

Feel free to email suggestions relevant to the Yearbooks to:

dporter@microbiologyforum.org

Thank you!
